# Puppy Milk PRO

**WINNER PLUS PUPPY MILK PRO** is a special puppy milk with biologically valuable ingredients that contain all the essential minerals and vitamins to meet the needs of sucking puppies and guarantee healthy and optimal growth.

By largely removing the lactose (milk sugar), which can cause diarrhea in puppies and young dogs, this high quality replacement milk is well tolerated and comparable to natural milk of the bitch.

- ✓ No vomiting and no diarrhea due to the greatest possible lactose withdrawal
- ✓ Contains 15% glucose, vitamins & minerals
- ✓ For the nutrition of motherless puppies from the first day of life
- ✓ As a dietary supplement to support the lactating bitch
- ✓ To prepare the bitch for lactation as well as preparing of the weaning of the puppies
- ✓ Suitable as supplementary food for sport, working and breeding dogs as well as for ill and older dogs

**Composition:** Whey fat concentrate; Gelatin; Soy protein concentrate (GMO-free); Whey powder (partially sugared); calcium gluconate; Di-calcium phosphate.
